Gold Sun Shading Motorcycle Helmet Visor

Outstanding Optical Clarity:

The visor is made with high quality injection-molded polycarbonate shield. It has great optical clarity with lower distortion. It will not make you feel dizzy.

Comprehensive Protection:

Protect your eyes and face from strong wind, sunlight, bugs, dust and debris while riding.

UV Protection:

The visor can protect riders from the sun's damaging UVA and UVB rays.

Anti-fog Coating:

With anti-fog coating, the visor can effectively keep your sight clear and give you a better view in a rainy or foggy day, which protects your driving safety.

Scratch and abrasion resistant

Multiple Color:

clear/tinted/chromed (mirror/revo)

Customization:

We can customize any size and shape for you.
